

ROLLERCOASTER sivilli

A **D**
Ruby Died of a heart so broken, north & west of the town of Hoboken

A **E** **D** **A**
Wondering where the love had gone, with her mind in the gutter and her red dress on

CHORUS:

D
Hand me over to the powers that be.

A
You gotta walk on down to the river it seems

D
that everyday is a roller coaster.

E **D** **A** **E - D - A**
Walk on down to the river with me.

VAL T.

2. Bill he played a little ukulele, thinkin' 'bout the time he lived with Sally
But he went away and never looked back with her mind in the gutter & a pink Cadillac
3. Johanna has a little dog named Fig. He's a schemer & a dreamer & he danced a jig.
But time has taken it's toll, don't ya know, but his mind's still in the gutter with his old dog bones
4. It's easy to be Zen when you're not real smart, but Rocky is a dog with a really big heart. Rescued by a famous writer. His mind's in the gutter but he'll never bite her.
5. Born a Growler, short & stout. He's a Jack He's a Russell & his dad's a Kraut.
He's got a life of leisure, he's a well fed guy, his mind's in the gutter and I don't know why.
6. Blow your harp, Bang your head. Or take a little drink of whiskey instead.
Wolfman Al is a legend to me with his mind in the gutter and his wife next to me.
8. Tom he left a job real stable, went out to Reno to play the tables, Spent his final dollar in a slot machine, he's now in the gutter huffing gasoline.
9. Men can play with fire sometimes, Women can walk that real fine line
No one know how long we will breathe with our minds in the gutter and our hearts on our sleeves.

A **D**
Ruby Died of a heart so broken, north & west of the town of Hoboken

A **E** **D** **A**
Wondering where the love had gone, with her mind in the gutter and her red dress on. END
